

Invitation for a One Day Run in Holland

On Saturday May 22. 2010, a one day run is planned for Morgan threewheelers, that will lead you through the Green Heart of Holland.

When the landscape is green, it usually means there is water. And indeed, in the Green Heart there is a lot of water. In spite of that, we hope for a dry and sunny day.

The run will be organised by Bert van de Zand, owner of a Darmont Special of 1925 and participant in runs organised by us in the last two years.

Starting point will be Nieuwkoop, which is about 15 km north of Gouda.

Interested to join us? Let us know on vdboon@wanadoo.nl or tel. 0031356010797. If assistance is needed in finding/booking a hotel, or campsite, Irene will be glad to help.
Marten & Irene van der Boon
