

To be...or not to be....in Elsinore and the Kronborg Castle of Shakespeare and Hamlet fame....that is the question....the answer is to be there for the MTWC Scandinavian Group Viking Run August 3-5 2012.

You are kindly invited so please prepare your Morgans and calendars to participate in our Viking Run. The site for the meeting is Danmarks Tekniske Museum / The National Museum of Science and Technology and the neighbour Hotel Sleep-2Night. During the nights the Morgans will be securely parked inside the museum in its 9.000m2 exhibition space.

Arrivals will be from 3 p.m. on Friday 3rd August at the museum. During the stay at the museum Jens Breinegaard will give special demonstrations incl. starting and running the still original Danish Hammel car from 1888. When staying in Elsinore one should of course visit the Kronborg Castle of Shakespeare and Hamlet fame.

The Viking Run on Saturday is planned to take us through the beautiful scenery of North Zealand, giving us samples of what the area can offer of natural, historical, artistic and technical interest. The run will hopefully take place in beautiful August weather and take us along the seaside, lakes and through forests. Visits are planned to Sommers Automobile Museum, the castle of Frederiksborg, a visit at a car-collector and dealer, at a railway station from 1880 which is now the center of restoration of steam engines and then along the North coast back to Elsinore and the museum.

The Viking Run dinner on Saturday evening will take place inside the museums fire station from the 1950's. Sunday morning we will take a short drive along the coast of Oresund, visit the Louisiana Museum of Modern art and end our meeting with a lunch enjoying the spectacular view of Oresund between Denmark and Sweden. We hope you will find this tentative schedule of interest. Perhaps we shall also see some of the new Morgan Three Wheelers!

Rooms have already been reserved at the Hotel Sleep2Night, next to the museum. The hotel rates for 2012 are:

Double room incl. breakfast 575 DKK/day

Single room incl. breakfast 540 DKK/day

Please note that these are special rates for museum visitors, so you should make your room reservations to Lennart Nilsson stating single or double rooms as well as specifying the number of nights you wish to stay. Perhaps you want to spend some time visiting the Castle or Copenhagen.

The additional cost of attending the Viking Run are yet to be determined depending on the development of the programme. Further information will be mailed to you once you have expressed your interest in attending. Additional information may also be obtained from Lennart or Jens. The Morgan of Jens you see to the right.

Welcome to Elsinore in August.
