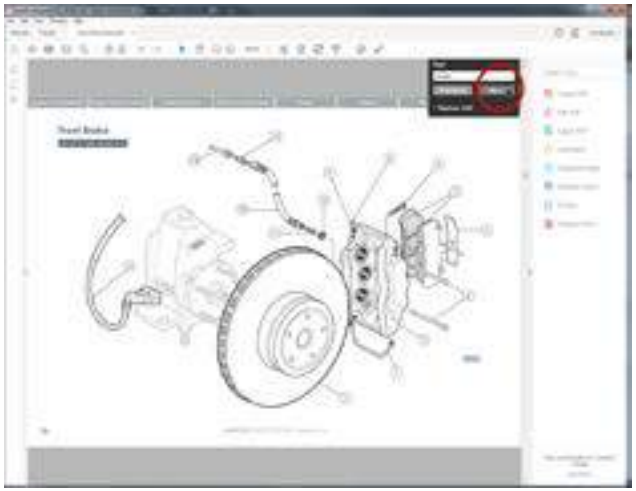
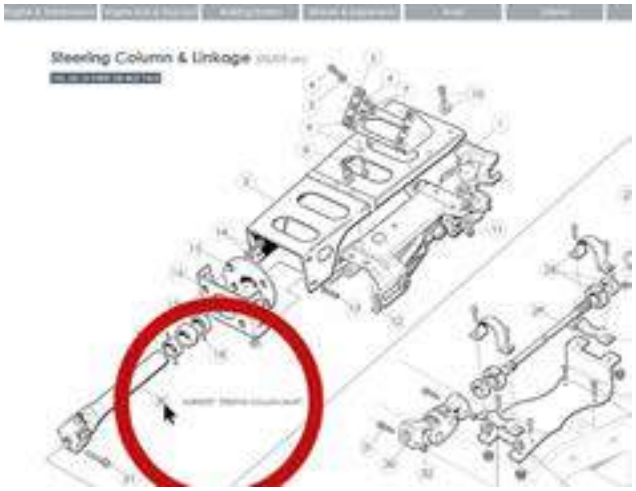
HOW TO USE THIS BOOK

Download the latest version of **Adobe Reader** to make the most of the latest features and to gain access to the powerful new document search engine.

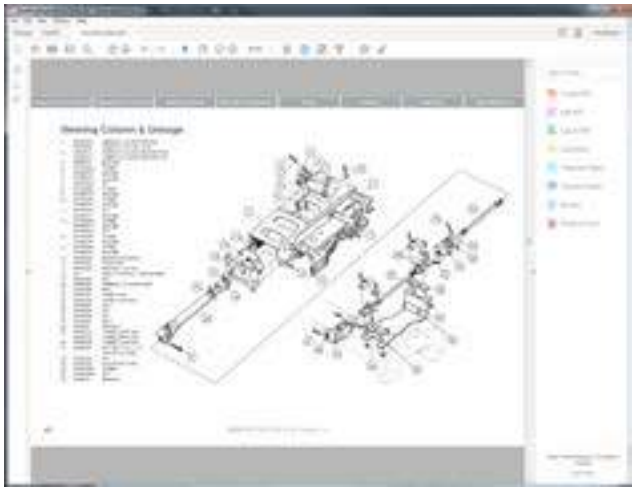
Open the Parts Book.
Click on the magnifying glass icon.
A new pallet appears.
In the pallet type a key word to search.
Click the 'Next' button.



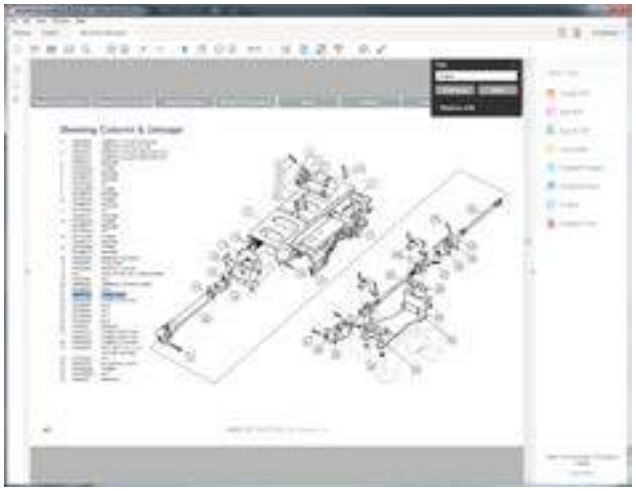
The first instance of your key word is displayed.
Keep clicking the 'Next' button until the required part is found.
For general searches, simply click on the navigation tabs at the top of the page.



Individual part numbers can be revealed by hovering over item numbers...



...while a full list is usually found on the next page.



On pages containing a full list, items can be selected, copied and pasted into another document.
