REGISTRY (If any details have changed, please complete this section and RETURN THE FORM so that the Registry can be brought up to date).

Details are held in strict confidence and will not be released from the Registry without your consent.

By holding comprehensive details about your car, the Club will be able to assist you with other information (for example from previous owners), and provide support in dealing with organisations such as the DVLA.

The Registrar, (contact details in the Bulletin) has a copy of the factory production records from October 1928 to August 1952 and can supply you with the original build details of your Morgan if the chassis number is known.

(Email preferred, alternatively a stamped addressed envelope please).

Condition of your Morgan

- A: New or Unrestored
- B: Restored
- C: Under Restoration
- D: Dismantled
