

## **Competition News - January 2025**

### Latest News

Half price entry for under 30s at Loton Park Hillclimb on 19 & 20 April..... yes, really. This is a great opportunity for our younger members to have a go at competition at a generously discounted price made possible by sponsorship offered by Spicers, Auctioneers.

Also in the spirit of securing the future, the club committee will soon decide on proposals to encourage younger members and to provide financial support for activities.

### WhatsApp group MoRgan3acers

This Whatsapp group has been set up by Chas Reynolds to help and encourage us all to support Morgan Three Wheeler racing. It mirrors the 500s racers who have used their Whatsapp group for some years. There's a lot of banter on it but also useful info e.g. where to get things done and sourced. Also advice and the sharing of technical knowledge. I hope we will find it useful in a similar way and that all will want to join - just message me with your mobile number and you'll be added - chasreynolds4@gmail.com

### Curborough Shakedown - Weds 26 March 2025

£55 per entrant last year for a day's sport, this must be the cheapest day out ever! Spectators are welcome at no charge. Only 6 places left at the time of writing. Contact Chas Reynolds on 01260 252780 or email chasreynolds4@gmail.com

### Blyton Park Track Day - Mon 7 April 2025

For track info see: [www.blytonpark.co.uk](http://www.blytonpark.co.uk)

The cost is £150 per Morgan for the whole day. A car may be shared between two drivers which makes it a very attractive proposition compared with the cost of entering circuit races. No licences are required, just helmets.

Limited to 24 Morgans. Keith Cook has written a full article on the track day in the January Bulletin. Contact Keith on 07986 467495 or [k.s.cook@btinternet.com](mailto:k.s.cook@btinternet.com)

### Eligibility

For many years the club has had a Sporting Formula in which Morgans are placed into Standard, Touring Modified and Racing classes. In recent years we have created a similar system for 5-speeders. Both have undergone revisions; the latest versions can be downloaded from the club web site.

***How do I get my Morgan classified for competition events?*** Download the application form from the web site, complete it and send it with front and side photos of your Morgan to Tony Pearson, eligibility scrutineer, whose contact details are in the Bulletin.

***I just want to enter the occasional event. Can I enter without my Morgan being classified?*** Yes. We want to encourage as many people as possible. We will put you in the Drivers Class and you won't qualify for Challenge Series points, but that won't stop you having a great time.

### MTWC Challenge Series 2025

Regs and entry forms for Loton and Curborough will be emailed to those on the competition Snippets list. If not on the list contact Tony Quinn on 01275 854789 or [tony.quinn.mtwc@hotmail.co.uk](mailto:tony.quinn.mtwc@hotmail.co.uk)

The Challenge dates are::

Sat/Sun 19/20<sup>th</sup> April – Loton Park Hillclimb, Allberbury, Shropshire  
Sun 8<sup>th</sup> June – Curborough Sprint course, nr Lichfield, Staffordshire  
Sat 5<sup>th</sup> July – Shelsley Walsh hillclimb, Worcestershire  
Sat/Sun 12/13<sup>th</sup> July – BHR Darley Moor race circuit, nr Ashbourne, Derbys  
Sat/Sun 16/17<sup>th</sup> August – BHR Anglesey race circuit  
Sat/Sun 13/14<sup>th</sup> September – BHR Cadwell Park race circuit, nr Louth, Lincs

### Other events early in the season

Sat 10 May - 500 Owners Association hillclimb at Wiscombe Park, near Honiton, Devon

### Feedback and News Items

Both are welcome

Tony Quinn  
Competition Treasurer
