Any additional information on your booking:

Preparations are well underway for the Rally/AGM weekend. The provisional plan is:

Friday afternoon & evening. Arrive and display your Morgan on the lawn. Chat with old friends and meet new ones. In the evening 3 course buffet style dinner served in the main restaurant (if you are not booking a room it is £33.00).

Saturday morning. Spares fair and bring & buy. Of course, Mogspares and the used parts team will be there. Also, most of the usual suppliers plus some new ones.

Saturday afternoon. There will be talks possibly on, the design of our camshafts, and/or modern motorcycle design by a member with a 5 Speeder. Also, we plan a visit to some local historic Victorian gardens (this is a hidden gem).

Saturday evening. The annual dinner, prize presentation, very special guest after dinner speaker and dance to the ever-popular Hot Fingers.

Sunday morning. We are planning for 2 options:

- The AGM meeting and prize giving part 2.
- Alternatively, a long tour, organised by a Touring Group member, through the Warwickshire countryside to the pub.

Sunday afternoon. For those who attended the AGM, a short scenic run to the pub to join up with the other group.

Sunday evening. Curry in Kenilworth.
